CE **EN ISO 16321**
ANSI Z87+

Outdoor untinted lens — for indoor and outdoor use where no optical radiation hazards exist other than solar radiation. Provides adequate protection against solar UV, but is not intended to protect against sunglare.

Manufacturer: MJS Enterprises, Karachi, Pakistan · Made in China

PRODUCT ANATOMY

1 Lens
Clear PC, oversized over-spec fit

2 Hinge
Vertical angle adjustment

3 Side shield
Full integrated coverage

4 Temple
Telescopic, TPE soft grip

CORE ADVANTAGES

01 Dual Adjustable Temples: Length + Angle
Telescopic length and vertical hinge-angle adjustment adapt easily to different head sizes and shapes, and fit comfortably under safety helmets.

02 Oversized Frame, Fits Over Prescription Glasses
The extra-large wraparound frame goes directly over the user's own prescription glasses — no need to replace eyewear for site work.

03 Full-coverage Integrated Side Shield
Built-in side protection blocks flying particles and splashes from the sides, delivering all-round eye protection.

04 High-performance Polycarbonate Lens
The PC lens provides outstanding impact resistance complying with EN ISO 16321 and ANSI Z87+, shielding eyes from chips, dust and minor liquid splashes.

05 Ergonomic Two-tone Design
Navy and orange temples with a soft curved end for a stable grip. Lightweight construction reduces fatigue for all-day wear.
